

Online Change of Major Process!

Between July 31 – Sept 1, 2017
December 18, 2017 – January 26, 2018
April 20 – May 25, 2018

DATES for Fall 2017 to add, change or drop a primary or secondary major, minor, or concentration:

July 31, 2017 – September 1, 2017

Students wanting to **make Math their primary major** will be required to do so through Hokie Spa, with a system called Hokie COM.

Secondary Math major, minor, or concentration changes will follow the same time frames, but will continue to be processed using paper forms instead of the new online system. Individuals making math secondary major, minor, or concentration changes will need to visit 460 McBryde Hall, and see Lori Berry.

Questions/problems related to Hokie COM can be directed to loberry@vt.edu.
