Credit-By-Exam for courses offered at the Math Emporium

Credit-By-Exams will be given at the Math Emporium for courses offered there during the semester. Further instructions regarding exam dates and times will be given at the time you signup. You will know whether or not you passed immediately after you take the test (passing requires 70% or better).

Credit-By-Exam for other MATH courses offered Summer I 2018

Credit-By-Exam will take place during the **final exam period for that course** for other courses offered during the semester. Further instructions regarding exam dates and times will be given at the time you signup. Your exam will be graded by the instructor (passing requires 70% or the class average). After exams are graded, results will be posted outside 460 McBryde.
