

New Online Change of Major Process!

Beginning August 1, 2016, applications to change majors will be accepted at three common “change of major times” every year.

Between August 1 – Sept 2, 2016
December 19, 2016 – January 27, 2017
May 1 – May 26, 2017

Students wanting to **make Math their primary major** will be required to do so through Hokie Spa, with a system called Hokie COM. **Secondary** Math major, minor, or concentration changes will follow the same NEW time frames, but will continue to be processed using paper forms instead of the new online system. Individuals making math secondary major, minor, or concentration changes will need to visit 460 McBryde Hall, and see Lori Berry.

DATES for Summer 2017 to add, change or drop a *primary* or *secondary* major, minor, or concentration:

May 1, 2017 – May 26, 2017: Hokie COM Open - Students wishing to add Math as their **primary major** can do so using Hokie COM via Hokie Spa. Students wishing to add Math as their **secondary major, minor, or make option changes** may do so using paper forms. See Lori Berry located in 460 McBryde Hall.

If you apply to a restricted major and are not accepted, and would like to make Math your primary major, these dates apply to you:
