

The Virginia Tech Mathematics Department invites applications for full-time instructor positions to start in the Fall of 2018. The initial appointments will be one-year restricted appointments, with possibility of renewal. The primary duties are teaching undergraduate classes. For some of the positions, these classes may include classes for pre-service teachers or Math Emporium classes. A master's degree in mathematics or a master's degree in a related field with a concentration in mathematics is required. Exceptionally qualified candidates may be considered for other instructional positions or for different terms of appointment. To view a full job description and position qualifications and to apply, go to www.jobs.vt.edu and search for job posting TR0180048.

Applications must be submitted online at <http://www.jobs.vt.edu>, posting number TR0180048. Online applications include a resume/CV, cover letter, and candidate statement addressing the candidate's teaching philosophy. Each applicant should follow the instructions in the online application system to request that two references submit letters of recommendation, or letters can be emailed to math@math.vt.edu. Additional information about position requirements and responsibilities can be found at <http://www.hr.vt.edu> or <https://www.math.vt.edu>. The faculty handbook (available at <http://www.provost.vt.edu>) gives a complete description of faculty responsibilities. As part of the hiring process, the successful applicant must pass a criminal background check. Questions about the search may be addressed to math@math.vt.edu.

Applications received by June 19, 2018, will receive full consideration. Virginia Tech is an Equal Opportunity / Affirmative Action Institution.
