

Math Credit-By-Exam Procedures Fall Semester, 2009

Credit-By-Exams will be available the **first week of Fall Semester** for the courses: Math 1015, 1016, 1114, 1205, 1206, and 1224. Students wishing to test out of these courses should see Ms. Sandy Blevins in Room 460 McBryde Hall. She will give you application instructions, and when the instructions are completed, you must bring a receipt back to Ms. Blevins. All of this must be completed *before* the exam. Ms. Blevins will post times on the door of McBryde 460 as to when you can see her to apply for the credit-by-exam. The **deadline** for completing your Credit-By-Exam application is **2 PM**, Tuesday, August 25. All of these courses have a Course Homepage within the Mathematics Web site that you can use to determine what material will be covered in the exams. There are two categories of exams. The descriptions for each category are given below. If you pass the test, go to Hokie Spa and register for the appropriate course.
