Students may earn one or more semesters of calculus credit by dual enrollment, AP, IB, CLEP, or Cambridge credit. This credit should appear on a student's unofficial transcript after the credit has been processed. The credit associated with AP, IB, CLEP, and Cambridge scores can be found at: https://www.registrar.vt.edu/registration/transfer/ap-ib-clep-credit.html.

Transfer students in LAR and ITDS with any math transfer credit should consult with their academic advisor about possible credit substitutions.

3Departments not listed have requested to handle their own mathematics registration.

Students and advisors in the College of Liberal Arts and Human Sciences should consult with Karen Watson at 540-231-6770 or watsonk@vt.edu.
