Epsilon Lambda Chapter's 5th Anniversary
Mark your calendars now!!!
April 10, 1999

A reception/dinner is in the works for the evening in Richmond. There are also plans for us to meet up at the Strawberry Hill Races earlier that day since Longwood will be having a hospitality tent where we can get together. Prepaid registration (see reverse side) with the Longwood Alumni Association is required for the Strawberry Hill Races.

As soon as plans are finalized, we will send you another notice. Bill Fiege is heading things up, and Greg McCarney, the new V.P. Alumni Relations, is working with him.

In other news, a new Graduate Council Constitution has been proposed. A copy of it will be mailed to you with details about our upcoming anniversary.

WE HOPE TO SEE YOU THERE!!!
