Statement of Understanding  
of the Expectations for Math 2214  
Spring 2016

By my signature below I verify that I have read and understood the policy and requirements for this class. In particular I understand the honor policy regarding the my work on the required homework, quizzes, in class work, and tests for this class as stated in the policy presented to me on the first day I attended class. I also understand that this policy can be found on Margaret McQuain’s homepage on the Web if I should need to review those policies.
